

## **JUNIOR BOARD – Athens Chapter Grant Application Request for Proposals**

### **2023 Update**

The Athens Chapter of the Junior Board will continue to offer virtual site visits to applicants who would prefer them. Photographs of your site and proposed project are strongly suggested because of this, and digital videos are welcome as part of your submission. All photographs must be emailed to Ashleigh at [aoatts@trrcobbhouse.org](mailto:aoatts@trrcobbhouse.org). Up to ten photographs will be allowed. Please email Ashleigh if you have issues submitting or need to send more than ten.

Email addresses will be required this year as well to help with communication and keeping a “paper trail.” If this is an issue for your organization, please contact Ashleigh at 706-369-3513.

We strongly encourage emailing your grant application this year. Please feel free to scan it or to save it as a PDF to keep all formatting in place.

Please use the application provided. Any application submitted that does not use this formatting will not be accepted. Additional pages are allowed for overview and project description, as described in the grant application.

If you have any questions, please do not hesitate to contact Ashleigh at either [aoatts@trrcobbhouse.org](mailto:aoatts@trrcobbhouse.org) or 706-369-3513.
